

**Our Best Seller**

## HOODSTRIP® -290 LIQUID REMOVER NON-FLAMMABLE - ALL PURPOSE

The best all purpose *liquid* finish remover on the market. Contains no harsh chemicals, lye or strong acids to effectively remove most conventional finishes. **Non-flammable**; with low evaporation rate and low odor. **By design, gentle on your hands and glue joints too, yet still do the job fast.** None grain raising. Has stain pulling action, and can lighten the wood surface when neutralized after with a **power wash (water)**. Water washable or, neutralize with a solvent such as lacquer thinner, Wash Thinner or any other suitable solvent. Excellent for flow-on and dip tank stripping systems, and minor hand stripping jobs. **Methylene chloride based.**

### Key Benefits

- ✓ Fast acting, low odor, low evaporation rate
- ✓ Non-flammable and non-grain raising
- ✓ Gentle on hands and glue joints
- ✓ Stain pulling action
- ✓ Water wash or solvent neutralize
- ✓ Removes quickly most paints, varnish, lacquers, polyurethane, shellac and pre-catalyzed finishes
- ✓ Least harsh remover to skin and glue joints on the market

**Best Semi-Paste, Hand Stripper On The Market**

## HOODSTRIP® - 888 SEMI-PASTE REMOVER NON-FLAMMABLE - ALL PURPOSE

Best all purpose semi-paste finish remover on the market for hand stripping. Contains no harsh chemicals, lye or strong acids to effectively remove lacquers, varnishes, urethanes, most paints and pre-catalyzed lacquers. By design, **gentle on the hands and glue joints too, yet fast acting.** Non-grain raising. Has stain pulling action, and can slightly lighten the wood surface when neutralized after with a **power wash (water)**. Non-flammable; with low evaporation rate and low odor. Water wash or, neutralize with a solvent such as lacquer thinner, wash thinner or any other suitable solvent or just wipe with rags; **no-wash.** **Methylene chloride based.**

### Key Benefits

- ✓ Fast acting, very low odor, and non-flammable
- ✓ Excellent for on site jobs due to low odor and non-flammability
- ✓ Stays wet longer thus longer acting on multi coat paints
- ✓ Clings to vertical surfaces
- ✓ Gentle on hands and glue joints; non-grain raising
- ✓ Water wash, solvent neutralize or just wipe with rags

## HOODSTRIP® - EZ DUZ IT™ (SUPER STRONG)

Removes epoxy, polyester, catalyzed lacquer, catalyzed varnish, polyurethane and multi-coat durable paints. Buttermilk paint and automotive paints and lacquers quickly too. Available in liquid and semi-paste form. The semi-paste clings very well to vertical surfaces. Non-flammable, low evaporation rate. Water washable or neutralize with a solvent such as wash thinner or lacquer thinner. Excellent for flow-on, dip tank or hand stripping. pH activated, may darken certain woods, like oak if allowed to dwell on the surface too long. Treat with Oxalic Acid solution to bring the color back. **Contains methylene chloride.**
