

PROTECTIVE EQUIPMENT

DISPOSABLE LATEX/NITRILE GLOVES

For staining, toning, glazing or spray finishing. The **nitrile latex** gloves (dark blue in color) have four times the mil thickness thus are snag, tear and abrasion resistant as well as **more chemical resistant** than latex gloves.

Available in three (3) sizes. (-XX designates the size) small (-01), medium (-02), large (-03) xtra large (-04) and xxlarge (-05) [if available]

- | | |
|---|---------------|
| 32006-XX Nitrile (Dark Blue) (50/Box)* | \$9.95 |
| 32007-XX Latex (off White) (100/Box) | \$5.95 |
| 32062-XX Nitrile (Light Blue) (100/Box) | \$7.95 |

*Available in xxlarge as well, item # 32006-05 at same price

REUSABLE LATEX GLOVES - MEDIUM DUTY

Excellent medium duty latex gloves for hand stripping, solvent neutralizing, wood bleaching, staining and finishing. *One size fits all. Color is yellow.*

- | | |
|-------|-------------------|
| 32005 | \$.75/PAIR |
|-------|-------------------|

SILVERSHIELD/4H

Lightweight, flexible laminate material that resists permeation and breakthrough by an array of toxic/hazardous chemicals. Use alone or as a glove liner. In fact OSHA mandates that these long lasting gloves must be worn when stripping with Methylene Chloride based finish removers or under rubber gloves when using same to block from skin absorption. Rubber or latex gloves alone are not approved by OSHA for use with Methylene Chloride. 4 mil thick. Ambidextrous, fits either hand. Distinctive silver color for easy identification.

- | | |
|-------|--------------------|
| 32016 | \$6.95/PAIR |
|-------|--------------------|

DISPOSABLE ORGANIC VAPOR RESPIRATOR

Protects against low levels of organic vapors. However, this type of respirator is no longer approved by OSHA for use with Methylene Chloride vapors. Only a Positive Pressure Respirator System can be used for Methylene Chloride vapors at levels below 625 ppm.

This disposable respirator protects against other organic vapors such as solvents found in lacquers and thinners. Light weight for comfort, has low profile for clear vision. Disposable when canister is spent. A *snap-on disposable spray pre-filter* is also available to protect against overspray from lacquers

- | | |
|-------------------------------|----------------|
| 32050 Vapor Respirator | \$19.95 |
| 32051 Retainer Ring (pair) | \$ 3.95 |
| 32052 Spray Pre-Filter (pair) | \$ 3.95 |

STRIPPING GLOVES - INDUSTRIAL STRENGTH

Heavy duty rubber gloves resist acids, alkali, and stripping solvents. Gloves come in three lengths and glove sizes. **XX=01, 02, and 03** designate sizes 9, 10, and 11, respectively. OSHA requires the wear of Polyethylene glove liners under these gloves when using Methylene Chloride based removers.

- | | |
|--|----------------|
| 32000-XX Heavy Duty Stripping | \$9.95 |
| 32001-XX Light Duty Stripping | \$7.95 |
| 32002 24" Long (available in size 10 only) | \$14.95 |

RUBBER APRON

Extra heavy duty HYCAR rubber apron gives maximum protection from stripping chemicals and solvents. Adjusting neck band gives length flexibility. Available in two lengths.

- | | |
|-----------------|----------------|
| 32025 24" X 36" | \$9.95 |
| 32026 36" X 46" | \$14.95 |

DENIM APRON

Tough denim apron with pockets, protects clothing from dust, glue, finishes, etc. A must for any woodworker.

- | | |
|-------|---------------|
| 32027 | \$6.95 |
|-------|---------------|

EYE PROTECTION

Safety goggles and safety glasses protect eyes from chemical splash and fine dust. Distortion free lenses are made of high impact clear plastic. **WILL NOT RESIST METHYLENE CHLORIDE.**

- | | |
|-----------------------|---------------|
| 32012 Plastic Goggles | \$2.95 |
| 32013 Plastic Glasses | \$1.95 |

FACE SHIELD

Light-weight shield for face & neck protection. Adjustable to head size with flip-up feature. The polycarbonate plastic visor is disposable and replaceable. Visor is 12" wide.

- | | |
|---------------------------|---------------|
| 32010 Face Shield w/visor | \$9.95 |
| 32011 Replacement Visor | \$4.95 |

ARM PROTECTORS

Snug fit plastic protectors cover arms from chemical splash. Sold as pair.

- | | |
|-------|--------------------|
| 32015 | \$5.95/PAIR |
|-------|--------------------|

COTTON GLOVES

100% cotton gloves keep hands warm and clean. Economical. Not for use under stripping gloves as liners. One size fits all.
