

SOLVENT BASED and SPECIALTY FINISHES

Low VOC™ WOOD LACQUER (VOC COMPLIANT) - HIGH SOLIDS

Top quality, all purpose lacquer for most *interior* wood and metal furniture. Ready to spray as supplied. VOC compliant to meet current **Clean Air Act** standards in nearly all states. Formulated for maximum adhesion, toughness and build, with very good water, heat and alcohol resistance. This lacquer can be topcoated with **Magna-Shield®** or our **EVERLAST™** Wood Finish for added durability, toughness and chemical resistance.

Offered in **Clear Straw Color** - for all purpose application; **Water Clear** - for use over bleached or "pickled" wood or white pastel stains; **White Pigmented** and **Black Pigmented** Lacquers. Solids = 30% for the clears, 45% solids for pigmented; no thinning required with proper spray equipment. In case of orange peel, thin up to 10% with our Lacquer Thinner #1 or #2. **Sheen: Gloss = 90, Satin = 45, Flat = 13%**

Key Product Benefits

- ✓ Ready for Spray - No Thinning Required
- ✓ Fast Drying
- ✓ VOC Compliant
- ✓ High Solids, Excellent Build
- ✓ Excellent Build
- ✓ Excellent Flow and Leveling
- ✓ Exceptional Clarity and Depth (clears)

Clears							
5 GAL	Gloss	Satin	Flat	Sealer	Vinyl Sealer	Wt.	Price
CLEAR STRAW	94705	96205	97405	95805	95505	44#	\$94.95
WATER CLEAR	62505	62605	62705	95305	95905	44#	\$98.95
Pigmented							
5 GAL	Gloss	Satin	Flat	Primer	No-Bleed Primer*	Wt.	Price
WHITE	67305	67405	N/A	67205	93105	50#	\$134.95
BLACK	68305	68405	68505	68205	N/A	46#	\$134.95

Available in gallon containers as well. Add \$2.00 per gallon to above prices. Replace last two digits, 05, with 01 in above prod #s. For example, 94705, is 94701 for a gallon size

* Blocks stain and tannin from bleeding up through the finish.

SEALCOAT™ UNIVERSAL SANDING SEALER

This micronized shellac, 100% wax free sealer is compatible with ALL clear wood finishes; lacquers, oil and water-based, varnishes, polyurethanes, shellac, pre and post catalyzed lacquers and varnishes. 100% wax free **SEALCOAT™** brings out the natural beauty of the wood's patina. Though amber in color, it will not yellow over time, however. Fast drying, can be sanded and recoated in minutes.

Excellent for under all water-based finishes, including **HYDROCOTE®** brand finishes like **Resisithane™** to bring out warmth, depth and color definitions to the wood grain while blocking grain raising and promotes adhesion to slow drying oil based stains.

30401	Gallon	\$29.95
30405	Pail	\$149.95

NO LIFT LACQUER

Nitrocellulose lacquers when applied directly over conventional varnishes and urethanes will lift or craze these. Two coats of this No Lift Lacquer avoids this from happening.

Ready for spray application as supplied – no thinning required or recommended.

98700	Quart	\$9.95
98701	Gallon	\$19.95
98705	Pail	\$89.95

FISH-EYES AND SILICONES SEALER

Seals in silicone based and other contaminants thus preventing fish-eyes, wet spots and orange peel. A must for any furniture refinisher. Will not lift nor discolor light woods. A nitrocellulose-shellac based sealer. Ready for spray or brushing application - no thinning required.

For best results, apply multiple coats to seal the contaminants (often four coats may be required) without sanding between coats and allowing at least two hours drying time between coats.

95701	Gallon	\$19.95
95705	Pail	\$89.95

LIQUID SHELLAC - TRADITIONAL FINISH

Trusted by generations of woodworkers as a traditional finish for antiques and fine furniture. Non-yellowing, imparts a warm glow to all wood surfaces. Great for sealing wood, knots and drywall prior to applying paint. All-natural and non-toxic, this shellac is safe for use with children's toys. Blocks all odors. Amber or Clear.

90000-01	Clear	16 oz. Aerosol	\$ 6.95
90001-01	Clear	Gallon	\$28.95
90001-02	Amber	Gallon	\$28.95

BARRIER COAT SEALER

Designed for use as a bridge coat between an existing tough finish (catalyzed lacquer, conversion varnish, catalyzed polyurethane, polyester, etc.) that needs no removal and a new top coat of lacquer. Bonds to laminates as well. *Not recommended over varnishes or urethanes unless above NO LIFT LACQUER is used first.* Ready for spray application, no thinning required.

95400	Quart	\$9.95
95401	Gal	\$19.95
95405	Pail	\$86.95
